

## Etiquette During a Facebook Opportunity Event

Remember you are in a big room with people you know and don't know, and they can "HEAR" everything you post.

- Be positive
- Don't be pushy Avoid "I want you to join (our company)!!!"
- Celebrate that they are here and who they are
- Answer questions if you know
- IF you can be in the group, comment, not just like the posts
- Pay attention. It goes fast so check in with your guests in the Private Message as necessary
- Keep track of your guests. If they get "quiet" reach out to them in the pm "You ok? I didn't see you."
- UPLINES Keep an eye on your pm

There will be a post with A/B/C/D

A I'm ready! Let's get started!

B I'm a little scared but let's try it for a month

C. The timing isn't quite right, maybe later

D. I'd like to try a get-together first

Respond appropriately

A or B PUBLIC!! YAY

AND go to the PM for the next step.

C/D Private message them

C

Of course, I'll check back when the timing is right. When do you want me to reach out to you?

D I really appreciate you! Even though you don't think the opportunity is a good fit for you I'd love to schedule your get together.

Later: I'd appreciate if you connect me to people like you who might love to earn some extra income.
